

DRINK STRATEGY

OLD FASHIONED LOVE

60 ml The Lovers Rum
2 dashes Aromatic Bitters (Scrappy's)
1 tsp Cane Sugar

"The old-fashioned is the Doric column of the cocktail world. A sturdy and simple pillar of whiskey, sugar, and bitters, it doesn't cry out for experimentation. But here's a bit of heresy: It does work surprisingly well with the South's first spirit—rum, which was imported from the Caribbean long before corn decided it wanted to be liquor. - gardenandgun.com"
